Specifications VW524

				Project:						
. •	•						Quar	ntity:		
				Specifications				Made in USA	Endmer	minati
	/2"	L.	Material: RLM shades are constructed of heavy duty spun aluminum. Wall back plate and ballast housing are cast aluminum. All fasteners are stainless steel. Inside of shade is reflective white finish for all colors except galvanized paint finish. Screw hardware may not match		Finish: A polyester powder coat high quality finish electro-statically applied and baked at 430 for exceptional durability and color retention Products undergo an intensive five-step cleansing and pretreatment process for maximum paint adhesion.					
	24"		paint. Glass: Choice of clear, frosted or prismatic glass. Electrical: Medium Base Socket, 200w Maximum or GU24 Socket. Approximately 12" of pull wire extends from fixure. Additional pull wire provided for post mount arms and wall mounts.		Marine grade finish provides superior salt humidity and UV protection. This coating withstands up to 3000 hours of continuous salt spray, comes with a 5-year warranty and is available in either a textured or glo surface. Modifications: Consult factory for custom or modified designs
